A black and white sketch of a school hallway. The hallway is long and narrow, with lockers on the left and a wall with windows on the right. The perspective is from one end of the hallway looking down its length. The lines are simple and sketchy, giving it a nostalgic or artistic feel. The text is overlaid on the sketch in a bold, sans-serif font.

Luckily, it's also serialized this time. And there's only one title from beginning to end. I hope everyone can enjoy this book as much as possible.

Also, there are lots of notes in this book, just like the previous "blue ribbon".

Forcibly added.

I forced the editor to add this to (pink)

Those who could you find another special?

Love Note

Hey,
Yuki!

The "After school Loose Leaf" is the info page on "Loose Leaf" on the back of the mags in the R1904 magazine. Every chapter includes a topic or a message on the characters.

It's interesting...

Though the editor's office made a few suggestions...

DON'T
USE THE
FILES TO
MAKE
THINGS-IT

Or the
files on
these
that
origins

Such
as
info on

ters

I vetted them all ☺

HUH? EH?

AH

SOUNDS
GOOD.

WE'LL
JUST
CALL

MALE

IF WE
GET
RAISED

WOULDN'T WE HAVE
THE SAME
NAME AND SURNAME?
WHAT SHOULD WE DO?

*Though the
Juniors are
not happy...*

WHAH!!

EXCITED!

SLOWLY,
SPRING
COMES TO
AN END.
RECENTLY,
I FEEL
UNEASY
AND DIS-
CONCERTED.

DOH

WHY...

THE DAY OF THE STUDY CAMP

BECAUSE AMI'S
FOUND, NO?!

HEH,
DID YOU
REALLY?

TONIGHT,
THE GIRLS
ARE GOING
TO VOTE
ON THE
POPULARITY
OF THE

NEAH,
THANKS

DO YOU
WANT

AM I
TIRED
BECAUSE
IT'S HOT,...

SINCE WHAT
HAPPENED
LAST TIME,
I LOOK
AT HIM
DIFFERENTLY
NOW!

HE LOOKS
LIKE A
DELINQUENT,
BUT HE'S
REALLY
NICE!

I THINK
SABUKU
WILL HELP!

OH—

IF YOUR RE-
LATIONSHIP
WITH A GUY
OTHER

BECOMES
REALLY GOOD,

I
WOUL
BE
HAPPY

HEAVY?
THEY
LET ME
HEAR
THIS..

Chapter 3

The editor of this magazine
had been changed.
Since my job a month
ago, I've been
looking after

But was I being looked
after or was I looking
after someone...

Huh? That? I mean
I've never heard of
"looking after" before...

When I enter, I'm not
used to discussing
with others.

I tend to finish the
work myself.

The editor understands
that and lets me do
what I want.

RECENTLY,
I FEEL
UNEASY
AND
SHAKEN UP.

Every time it's
somewhere noisy.

I really thank you
for looking after
me all this time!

Come to think of it,
the new editor is like
a unique and
amazing person!

And that's cute.
Sometimes the
suddenly makes this
"Un-pull" noise.

I always get scared
by that.

This is my first
time meeting such
an editor (smile).

BECAUSE
SAEKI-KUN
ALWAYS
COMES
NEAR
TO ME
CASUALLY.

SO I'M
ALWAYS
TENSE.

THEN EACH
GROUP IS
TO DECIDE
ON WHICH
JOB TO
TAKE!

JOIN!

HIGH-
WELL...

LET'S
DECIDE
WITH
PAPER,

ROCK,

The Japanese pronunciation of "scissors" is similar to that of "join".

AYA...
EXACTLY

Chapter 4 Mochi-ear

I've missed this name since my debut, but it wasn't the author who made it up.

He made it up, but it began when I read an article —

What Am I Mochi-ear?!

"Inter-
mittent
Mochi-
ear"

I heard all of it from the editor (smile)

But letters from readers led to "Mochi-ear!"

The editor also wrote me kindly with that name. I've given

Though it seems unnecessary, I still want to say thank you to my precious editor

Besides which, I don't remember the origin of the P M

"Mochi-ear" really do, but the editor named it Mochi-ear.

It felt too stiff to use Chinese, so it was changed

And, the word "Mochi" implies "precious time". It's a word that I really like

Chapter 5

About the person with warm hands

"The heart of people with warm hands is actually ice cold."

Just who made up that saying? Sure, the transparency of my hands is a big advantage if it's summer or winter.

But

There's no scientific evidence for this saying yet, just because the kinds of people they're called colder-what kind of face that...

"Probably doesn't make a big deal. Secretly, I do mind it (smile)."

About weird statistics: When I ask my brothers about "Japanese Highschoolers, the kindest are found in Osaka town."

Sounds very kind, even this side (smile).

Asahi's intelligence

There's psychiatric issues. It's hard to look at 2 episodes and treatment from the high schoolers in Osaka town.

Also, people who like to come up their heads, usually looking back on if they're in a situation.

Just who was involved this...

At-

THE BELONGINGS OF CLASS E KASHIMOTO-SAN HAD BEEN STOLEN.

I'M GOING ABOUT THAT.

WHEN SOMEONE WAS WORKING AT HIS STATION

WHY SO TAKE SO MUCH TROUBLE?

I HATE
THAT

THE
CULPRIT

KUN!

I
AGREE!

I THINK
YOU
KNOW

HE DIDN'T
STEAL
ANYTHING.

SURE-

YOU

WHAT?

OH NO.

FLINCH

WHAT TO DO?

SHIMAZU IS
SERIOUSLY

WHAT DO YOU MEAN?

WE'LL

WE
CAN'T
ADMIT IT

WHAT
SHOULD
I SAY?
IF I
DON'T

THE

SO
I...

DON'T

WELL...

LET ME

LOWER YOUR
TEMPERATURE.

IN THE
END,

THOSE
GAYS
SEEM
TO HAVE
EXPLAINED
IT TO THE
TEACHER.

SAGHI-
KUN.

DOESN'T
SEEM TO
HOLD
THEM IN
SCORP

AH,

IT'S
GREAT THAT
SAGHI-KUN'S
NAME WAS
CLEARED.

CLEARLY
ECHOES
HIS VOICE ,
DROWNING
OUT THE
ANNOUNCEMENT
AND WHAT
MITSUYA-KUN
HAD SAID.

AROUND
MY EAR ..

"Are
you still
unaware?"

"You've
already
fallen
in love
with him."

Sometimes
somebody sends
me a drawing
about me!

Every month,
I ask the
assistants to
help out after
the drawing's
done. They're all
great kids.

THE ENCHANTING ASSISTANTS

One day,
I kept on
working
after the
assistants' *tsun*
asleep.

I always
complain
secretly.

Day

Are you
guys
"clean
but...?"

Uh,
everyone's
so innocent
I worry
about them
being lost
to the
outside
world.

The
assistants
get
along
well.

... is
super-
handsome!

So I
slept.

A piece
of paper
was
stuck
between
the door
and the
floor.

No, if I
sleep
now,
who
knows
what'd
happen.

You've
stayed
up so
late.
Thanks

HAROLD'S KNIGHT

I really like her
(singing) Shave. Full of
lively interaction
very caring. I don't
think that's a
surprising if she has
lots of strange words
no friends. When she
talks like, I can say
whatever I like

I'll describe our

Okunawa probably
has lots of things
you won't see everywhere!

ARE IN ME.

I KNOW.

IN THE
MONTHS OF

THE WAVES

MYSTERIOUS-
LY.

I
JUST
FORGOT MY
HOMECOMING

I FEEL
THRO-

HAD WORK TODAY
I WAS SO LONELY
THAT I MADE THIS
GUILT.

OF HIM

I HAVE GREAT
ANTICIPATION

I'M

I'M SAD
WHEN HE
LOOKS

THIS
FEELING.

HOW DO I
EXPRESS IT
TO HIM?

Sakura Ryo Matsuno

Her first met in a
BPMOM New Years party
in 2004. Whether it's the
inside or outside she
gives off an elegant air

From the (S) (male),
I can tell Matsuno really
cares for her work. An
admirable spirit I
remember I used to
debate with my friends
her impression on
others. (male)

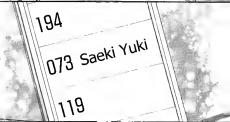

Behind that look
of the subject (male)
but I feel that despite an
elegant colour, Matsuno's
most admirable trait is
her shyness.
No matter how busy she
is, she never loses if
she doesn't seriously
live in love.

But it's (Luna) (male)

I am not surprised.
At that moment (female)

hmm?

Sash-
kun...

TAKE
IT

AND
MOVE
HER TO A
COMFORTABLE
PLACE

what's
for
transport-
ation?

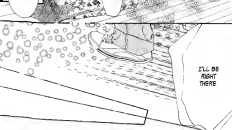

DON'T
WORRY,
I WON'T
TAKE IT

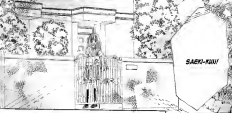

SHE
LOOKS
LIKE
SHE'S IN
PAIN

WHAT
SHOULD I
DO... WE
ALWAYS GOT
A FEW...

I'LL BE
RIGHT
THERE

ANYWAY,
SHE SHOULD
BE PAID FOR
NOW.

THANK
YOU.

Character
Introduction

YUKI KIRITO

I want to introduce
the characters in
"Lemon Laid". First,
the main character,
Yuki Kirito.

When I attended my
school entrance
ceremony, I was so
tired that I went
home! Because my good
friend's mother had
attended another
school... and I got the
flu during spring break.

I wanted to say "No!"
if I take a day off and
miss the ceremony
even if I think I'm physically
weak. So I went to the
ceremony and
ended up having

THE SCHOOL
BAGGAGE OF
TEACHERS
CARRYING
ALL DAY AS
IT WAS A
WEIGHED
BAGGAGE.

THIS WAS MY SECOND MORNING EVENT! I LEFT THE HOUSE WITH EXCITEMENT.

Just breakfast, lunch, and dinner. The afternoon, however, was a special event. I was going to a signing event.

nosy idea.

When mom
was young,
she went

her playmate
after school.

Playmate

Mom

Chibi Tsukasa

Actually, my
classmate in senior
High was his model.

He also played
soccer. He had lots
of energy, but was
always gloomy.

But when I asked
about him from my
other school friend,

Perhaps his rebellious
side gave off a negative
impression? Delinquents
don't happen to drop
down. Yaku came into
being under that
circumstance.

IN SHINA

About Ju
I drew her based on
the teenage age

When I was in High
school, I didn't like cute
things. My hair was cut
short. I preferred dark
blue or dark brown
clothes

Ju mentioned that
impression from me
Ju's name came from
my favorite line, "The
loveliest winter that
nurtures the earth."
Just like her colour,
her name is related to
the weather

Especially her smile was
the most difficult to
draw in this manga.

Especially
her smile
was the most
difficult to
draw in this
manga.

# Ichihiko Koiwai

Not sure why, but I must've let what I thought back to the old girl in school I admired be an all-gate pickup! It had their students with a mean character! Everyone had her own thinking and just everybody went by strictly Koiwai's like that. It was called on by the teacher in class.

PLEASE LET ME CALL FOR HELP!

NO-ONE WOULD BE ANSWER TO THE QUESTION!

I was thinking that the teacher didn't get what I meant! Cause I was too young then. I just needed her to let some years I spent there.

I'LL BRING TODAY'S DON'T BRING ATTEND SCHOOL. BECAUSE I'LL BRING TO SCHOOL.

ABOUT THE SOME-THING THAT YOU TODAY BRING ATTEND SCHOOL TODAY?

Ok

You get a 10 minute break!

FORCING

IN

GIVE HER

THEN

As  
F.

"Saki-

"I don't

"Please

I SEEMED

LOOKING

THE  
SOFT DRINK

BUT I WANT  
TO GET IN  
TROUBLE!

I  
DIDN'T  
WANT  
TO GET  
YOU IN  
TROUBLE

THOUGH  
I DON'T  
LIKE SAD  
THINGS,

I CAN'T  
SUPPRESS  
THEM  
ANYMORE!

TO LET  
LOOSE ALL  
OF MY  
FEELINGS.

**TO LEAVE  
YOU IN  
EXCHANGE  
FOR MY  
SMILE IS  
NOT WHAT  
I WANT!**

NOW  
AGAINST  
THIS WALL,  
I TIGHTLY  
HUGGED  
SAEKI-KUN.

LOOSE LEAF

I WAS  
EVEN  
MORE  
SHY  
THAN  
NOW.

WHEN  
I WAS  
YOUNG,

I LIKED  
TO CRY  
AND WAS  
VERY  
TIMID.  
I ALWAYS  
LOOKED  
AT THE  
FLOOR.

**LUSH**

I really like handmade soap (and body wash etc.)  
special store ☺

I can't resist against things with a nice smell.  
(Huh? Did I say something strange? /smile)

So I feel happy when I'm in LUSH shop. ♪♪♪ Jiyuu no doko is  
the closest shop, so I appear there all the time. The followings  
are my favourites.

• Snow White  
cake (soap only  
sold in water)

• Rock star  
(soap tasting like  
Western cakes)

• Butter de  
Cologne  
(marshmallow  
cream)

• Body of Venus  
(cream)

• Circular soap  
(bubble bath)

THEY  
WERE  
ALWAYS  
KIND TO  
ME.

BUT  
ONCE  
I GOT  
HOME,  
THERE  
WERE MY  
GENTLE  
PARENTS  
AND  
BEST  
FRIEND  
JILL.

I NEVER  
THOUGHT  
OF TRYING  
TO  
PROTECT  
ANYONE.

UNTIL I MET  
SAEKI-KUN...

YUMI  
MITSUYA

I received many letters asking "Can Mitsuya's special cat be got no lives in the first chapter (series) He started getting active in chapter 4. Around chapter 2, someone drew his portrait in a letter to me. It looked really like him."

Writing

The letter was written really well. But some female readers who like Mitsuya mailed me drawings of him. I was very happy. Thanks very much. ♪

Agitated.

HEH, HEH  
—  
ZUN  
HOW DID THAT HAPPEN—  
—

HA HA

**GA CHA!**

What a loud noise!

IS THE CAT'S CARP?

**ICHI-HISA!**

SUKI WAS  
SUDDENLY  
AGITATED

PULLED  
AMMO-SAU  
OFF WITH  
HIM

I'M

FROM THE

SAW SUKI  
RUN OFF

WHAT'S  
HAPPENING  
?

SUKI-

**TAP**

WAIT!

.....

MY FIRST

I WENT  
TO MANY  
PLACES  
WHEN  
I WAS  
YOUNG

THAT  
TOOK ME  
TO MANY  
PLACES!

FROM  
WHEN  
I WAS  
SMALL,  
IT WAS  
THIS CAR.

AH,  
ISN'T  
THAT  
RIGHT?

HE!

OFF TO THE  
COUNTRY...

IT DIDN'T

NOBODY,

WAS  
IN THE

AT FIRST,  
I THOUGHT  
THEY PLANNED  
A PRANK ON  
ME, BUT...

THEN I  
HEARD  
ABOUT THE  
FINANCIAL  
DIFFICULTIES  
HE HAD.

IN THE  
END, MY  
UNCLE  
ADOPTED  
ME.

EVEN  
TILL  
NOW,  
I STILL  
DON'T  
KNOW  
WHERE  
THEY  
ARE.

PERHAPS  
THEY WORKED  
HARD TO HIDE  
IT FROM ME?

BUT...  
I NEVER  
FELT IT.

I WOULD  
NOT HAVE  
CARBO WHAT  
HAPPENED  
NEXT.

THEY TOOK  
ME WITH  
THEM.

I  
COULD  
DRIVE  
THIS

AND  
TAKE YOU  
AWAY.

WHEN I  
THOUGHT  
YOU'LL ONE  
DAY LEAVE  
ME,

I WAS  
SCARED.

AH

## Ending!

Yael: This is the last side note! So I'll conclude things here! ☆

While I was introducing characters in notes, I realized that I don't seem to be good at describing my work, with words. (the when I had to decide on my series...

Yael: (sigh) People often want kind of manga will not be waiting for the next generation!

With so little information, I was given permission to draw. I was surprised too (sweat)

Whether it is the world view or music, that manga largely reflects what I wanted to draw, so when people say "I like this manga", it makes me really happy. When those girls who've read this manga become adults, I hope they'll remember "Ah~ I read that manga once~" and pick up the manga and enjoy it again. That'd be my greatest happiness.
